

TRANSFORMATIONAL LEADERSHIP WORKSHOP:

Expanding the Capabilities of Diversity.

This 4-day intensive hands-on workshop is exclusively for the promising diversity leaders and minorities who aspire to make a difference. We will build on the timeless lessons from seminal behavioral science theories and effective practices worldwide. We will also debunk several myths about leadership. We will refer to the works of Argyris, Blake & Mouton, McClelland, Mintzberg, and Peter Senge. *The Leader Integrator** framework will be applied to integrate it all together.

WORKSHOP OBJECTIVES:

- ✓ Understand and apply the fundamental leadership skills in all situations
- ✓ Recognize your behavior and its impact on others in meetings and teams
- ✓ Embrace change as a positive impetus, and lead successful change initiatives
- ✓ Develop *Leaders Integrator** to promote generative energy
- ✓ Establish teamwork and inter-functional synergies as foundations for enduring organizational success
